An Elegant Symphony of Autumn Colors In Canada & New England Aboard the Six-star Crystal Symphony with the Waldorf-Astoria Hotel, Park Avenue

There are countless cruises to Canada & New England in the Fall but only a few with great style and elegance. The one offered by Uncommon Journeys this October is, quite simply, the finest of them all. Our ship for this beautiful voyage from midtown Manhattan to downtown Montreal is the superlative Crystal Symphony, an intimate ship rated the world's best for eleven consecutive years. With stellar ports of call, this voyage has two unusual attributes that make it especially inviting: an overnight stay in New York City aboard ship with a late night departure past the skyscrapers of Gotham, past the Statue of Liberty and under the Verrazano Narrows Bridge. To have an entire day and evening onboard, just blocks from Times Square, Central Park and the best shopping on earth is a rare luxury. In Montreal, the same amenity is offered, a full day and evening aboard, using the ship as your hotel, in the heart of the second largest French-speaking city in the world, famed for its joie de vivre, cuisine and architecture.

Of course, a great ship, famed for its service, cuisine and accommodations (all staterooms are outside, most with private veranda) deserves a great beginning and our guests enjoy their first evening in New York at the most fabled hotel in the world, the legendary Waldorf-Astoria, an appropriate match for the Crystal Symphony. Nicely, the Waldorf-Astoria is only the beginning as our guests enjoy a swank bon voyage luncheon on sailing day at famed '21 Club' before boarding the ship a few blocks away! Onboard, there are first-rate lecturers, sophisticated entertainment, a choice of dining venues, a world-class fitness center & spa and all of the amenities of a luxury resort.

This cruise is a visual masterpiece from the palatial summer homes of Newport to ruggedly beautiful Nova Scotia, old world Quebec City and almost 1000 miles of inland cruising on the St Lawrence River. We invite you to join us. All Aboard.
